SUGARLOAF SKI AND SNOWBOARD SCHOOL CLINICS
RELEASE OF LIABILITY
PLEASE READ CAREFULLY, THIS IS A LEGAL DOCUMENT**

WARNING: All forms of Alpine activities are hazardous, requiring the deliberate control and good judgment of the participant. Falls and injuries are a common occurrence of all alpine activities, including these clinics. The participant will be continually challenged in the clinics by performing difficult maneuvers on formidable terrain. These challenges, plus changing weather, visibility and surface and sub-surface conditions, such as ice and bare spots, trees, lift towers, fences, signs, posts, lift mazes, hydrants and pipes, snow grooming equipment, snowmobiles, rails, jumps, other elements and other man-made objects, variations in terrain, freestyle terrain, slope design and collisions with other skiers/riders, are inherent to all Alpine activities. Your children may encounter all open available terrain at the resort. Your children may not always be riding the chairlift with a Ski and Snowboard School Staff member.
